Office of the Food Controller and
Director of Civil Supplies in Mysore.

Bangalore, Dated 27th August 19 19

DIARY NO. 4098

From

K. MATTHAN, Esq., B. A.,

Food Controller and Director of Civil Supplies in Mysore.

To

C. S. Balasundaram Iyer, Esq., B.A.,

Chief Secretary to the Government of Mysore.

Sir,

I have the honour to forward herewith a copy of letter No. F.S.648 of the 22nd August 1919 from the Deputy Commissioner, Hassan, in regard to the issue of the stocks of ragi available from the Government Depots for use on occasions of influenza, etc. I see no objection to the proposal of the Deputy Commissioner, which may be kindly sanctioned.

I have the honour to be,

Sir,

Your most obedient servant,

Food Controller & Director
of Civil Supplies in Mysore.

Copy of letter No. 648/F.S. dated 22nd August, 1919 from the Deputy Commissioner, Hassan District, to the Food Controller and Director of Civil Supplies in Mysore, Bangalore.

****

With reference to correspondence ending with your memo No. 2953-54 dated 5th instant, I have the honour to invite your attention to my letter No.374-76 dated 29th July 1919 forwarding copy of the proceedings of the meeting of the District Food Supply Committee, held on the 28th July 1919, proposing that ragi from the Government Depots may be allowed to be sold as a special case, on occasions of cholera and influenza at the discretion of the Deputy Commissioner.

2. The Deputy Amildar of Alur Sub Taluk has reported that cases of fever are reported all over in the Sub Taluk and that there is fear of out-break of Influenza, and request that permission may be given to utilize ragi stocked in the Depot for preparing "Ganji" to poor and needy patients, I have permitted him to use only as much ragi as is absolutely necessary after crediting its cost price.

3. I fear that Influenza may probably break-out in other Taluks also, in which case, ragi which is at our disposal in Government Depots will be required. I request that general sanction of Government may be obtained authrorising me to use as much of it as is required on such occasions, as recommended by the District Food Supply Committee.
